Sir,

The Assistant Director (Coast) reports that when Inspector of Fisheries, Mangalore, visited the Malpe Fisheries school on 10th September 1934 the strength and attendance were as follows:--

The Inspector of Fisheries says that two teachers

be able to manage the present strength. The Assistant Director(Coast) agrees with these remarks and recommends that the staff may be reduced by one teacher. In the circumstances, I request that the orders of Government may be obtained for the reduction of the staff of the Malpe school by a teacher.
